7 Buy a GoPro. Wear a GoPro. Keep it running, and bring spare batteries It could preserve your freedom and keep you out of prison. Not to mention provide incriminating footage of the enemy.

18  When GEOTUS pulls this off, I will absolutely do this on the 6th.*

He said "will be wild," so, whats a wild assed party without a streaker??

*its January 6th, expect shrinkage.

5 This has caused some debates with others when I told them I was going the lines I heard were

- 
1. 'This will be a super spreader, during a pandemic with a 2nd strain coming out'
 2. 'You can just locally activist/send messages to congressmen of house/senate'
 3. 'There is antifa/BLM/police to watch out for, particularly after dark, stay out of dodge unless you are prepared for it'
 4. 'You're alone meeting up/trusting strangers for rides and lodging'

5 My wife's only complaint was that I was going to get killed or imprisoned, in minecraft.

 I couldn't honestly argue w her so I just promised to do my best. She's not impressed...[permalink](#) [parent](#) [save](#) [report](#) [block](#) [reply](#) **Skogin** 4 months ago +4 / -0

▼ If it's one big rally for the Senate runoff, I don't want to be there. I rather have the country burn to the ground then to see these Republicunts control the Senate without Trump as President. What did all the court nominations give us? Nothing but coal for Christmas and a bleaker new year. Fuck back off to Kentucky Mitch.
